Wild Island's **COCONUT BOWL** is much more than a place to fill out a few dozen frames. It's a **BOWLING CENTER**, not a bowling alley, which translates into a place that's **ALIVE WITH GOOD FRIENDS**, great food and the constant buzz of bowling at a higher level. It's what the game was meant to be: **FUN**. Wild Island's Coconut Bowl is also where more and more league teams indulge in **FRIENDLY BATTLE**. And with a bigger menu, clean surroundings, quality service, and spontaneous specials on food and beverages, Coconut Bowl is nothing short of a **PERFECT GAME**.
